2018 State Charitable Campaign

The State Charitable Campaign allows State Employees to make contributions to approved organizations through payroll deduction. Contributions may also be made by returning a check or cash with your completed pledge form. Approved organizations are listed in this brochure.

Beside each organization is a code number. Please use the appropriate code number if you want to make a designation(s), otherwise your donation will benefit the local organizations listed under your local United Way federation.

If you wish your gift to be acknowledged, please list your name and mailing address. The last copy of the pledge form is your receipt. Please return pledge cards to your State Charitable Campaign coordinator.

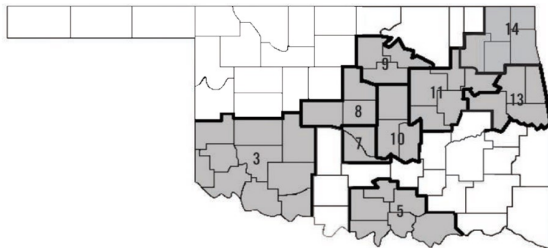

Thank you for building a stronger community through your gift to the SCC. For more SCC information, visit www.okscc.org or for Campaign assistance, contact:
